But she is best remembered for Intra Muros (Between the walls) or My Dream of heaven written in 1898. It was a vision given to her during severe illness; and she was unconscious for some days as she received the vision - which in the telling, covers a period of years. On reflection, she came to understand the short book as a series of basic truths about heaven, written in a simple and readable style, as if being told to a child.
