[Student behaviour Essay Example for Free](#)

Poor student behaviour is a major problem faced by schools across the globe especially in the western world. This is due to (this can be attributed to) certain sociological and psychological problems that are encountered, while bringing up children. Both parents and teachers should play a responsible role in tackling (handling, solving, dealing with) this problem effectively. [Bad behavior in school Essay Example for Free](#) For example, if the students have to suffer from a cruel father reproaching them all day, the teacher can help them thanks to the support of the school, society and even the law. With the help of the school, the children are able to develop in normal way and build good character in the life without so many troubles.
