They Say / I Say demystifies academic writing by identifying its key rhetorical moves, the most important of which is to summarize what others have said ("they say") to set up one's own argument ("I say"). The book also provides templates to help students make these key moves in their own writing. This version includes readings that demonstrate

[They Say, I Say: The Moves That Matter in Academic Writing ...](#)

They Say / I Say identifies the key rhetorical moves in academic writing, showing students how to frame their arguments in the larger context of what others have said and providing templates to help them make those moves. And, because these moves are central across all disciplines, the book includes chapters on writing in the sciences, writing in the social sciences, and—new to this edition
